Memorandum

Date: February 1, 2013

To: Users of City of Eugene Standard Specifications and Drawings

From: Matt Rodrigues, City Engineer AIC *mz*

Subject: **ADOPTION OF OREGON STANDARD SPECIFICATIONS, CITY OF EUGENE DRAWINGS AND AMENDMENTS #1 - #5**

The City of Eugene Standard Specifications (City's Specifications) shall be the 2008 Oregon Standard Specifications for Construction (Oregon Specifications) as issued in 2008 as revised by Amendments #1 - #5. The City of Eugene Standard Drawings have been readopted with modifications as part of Amendments #1 - #5. Amendments #1 - #5 are made a part of the Standard Specifications and Standard Drawings of the City of Eugene as fully and completely as if it were set forth therein.

Revisions to the Oregon Specifications are indicated by bars in the margins of the applicable sections.

The Oregon Specifications and City Drawings and Amendments #1 - #5 are **required** for all public improvement projects advertised by the City after February 1, 2013, and for privately engineered public improvement projects approved by the City after February 1, 2013.

The City amended Oregon Specifications and City Standard Drawings may be obtained by downloading the .pdf files from the City of Eugene website www.eugene-or.gov/standardspecs.

If you would like these .pdf files on CD instead of downloading them from the internet, you may request the CD by calling our office at (541) 682-5291. Cost is \$5.00 plus \$1.50 for shipping.

Please call Lisa Jeffries at (541)501-0360 or Jason Johannesen at (541)501-0352 if you have any questions.
